EXECUTIVE APARTMENTS

Dear Residence Owner,

As an elite member of our global Marriott International Luxury Residences family, you currently enjoy access to our inspired service and an unparalleled array of modern luxuries where you live, 365 days a year. Now, in continued appreciation of having chosen your home with us, and following our launch of The ONVIA Owner Appreciation Platform, we are pleased to announce ONVIA Stays. This means, in addition to our luxury portfolio, we have established an ONVIA Owner rate at Marriott's premium and select service hotels. This preferred access at our premium and select service hotels—along with our luxury tier—comes with a 10% savings off the best available rate. Formerly known as the Hotel Reservation Service, ONVIA Stays is our way of recognizing you as you travel across Marriott's global hotel portfolio.

Designed to enrich your travel experience, ONVIA Stays ensures you receive VIP status and preferred rates, along with other customized courtesies at our hotels and resorts worldwide. From the world's most iconic destinations to the ultimate undiscovered gems, Marriott International luxury, premium and select brand properties span all corners of the globe, offering enriching experiences designed to foster connection, draw you into the destination, and allow you to indulge your passions. Stay at any of our most sought after properties and enjoy stunning new vistas, superb amenities, and highly personalized service.

ONVIA Stays is available at over 9,000 Marriott International Hotels and Resorts around the globe, entitling you to our Residence Owner VIP status at The Ritz-Carlton, St. Regis, W Hotels, The Luxury Collection, EDITION and JW Marriott, or such premium and select brands as Autograph Collection, Renaissance Hotels, Le Meridien, Westin, Sheraton, Marriott, as well as many more.

As a member of the acclaimed Marriott Bonvoy® travel reward program, members can use their Marriott Bonvoy app to serve as their Residence Owner identification, a feature that can be used to recognize you as one of our company's most valued customers. Accordingly, your Bonvoy Member's profile within the app contains a digital member card and reflects your status as a "Residence Owner." This feature is available on iPhones (operating the latest iOS software) or on Android devices, coupled with the latest Marriott Bonvoy app.

This brochure offers an overview of ONVIA Stays, along with specific reservation information. I encourage you to utilize this exceptional tool when planning your next stay with us. Unwind on secluded beaches, explore vibrant cities, or witness the majesty of snow-capped mountains. Wherever you travel next, ONVIA Stays will help ensure a passion-filled journey.

Warmest Regards,

John B. Hearn
Senior Vice President, Global Residential Operations
