### **EXECUTIVE SUMMARY**

Royalton Punta Cana, An Authograph Collection All-Inclusive Resorts & Casino, Royalton Splash Punta Cana, An Authograph Collection All-Inclusive Resorts & Casino and Hideaway at Royalton Punta Cana, An Authograph Collection All-Inclusive Resorts & Casino, have demonstrated high improvement in the performance of environmental activities.

Throughout years the hotels have demonstrated commitment to the continuous improvement processes, which is evidenced in the results of multiple areas. All this success is because the efforts made to generate and maintain high standards in the related processes like pollution prevention, environmental protection, biodiversity care actions, respect for human rights, as well as promoting and supporting the local community in every possible way.

Royalton Hotels aims to make a positive and lasting difference in the lives of people, the environment and the community. With the support of guests, hosts and community members, the property works hard to protect, respect and promote awareness of the Dominican Republic's cultural heritage and customs.

# **CORPORATE SUSTAINABILITY POLICY**

At Blue Diamond Resorts (BDR) we are committed to Sustainable Development through the operation of the different Hotels that make up the chain in each of the destinations where we operate, in a responsible manner and in accordance with the following principles:

- Ensure compliance with the environmental legislation and regulations applicable in each countries where we operate.
- Respect and conserve the environment through the implementation of best environmental practices and protection of the local flora and fauna.
- Ensure the correct management and final disposal of waste through recycling and reuse.
- Promote conservation activities such as beach cleanups, mangrove cleanups and protection of wildlife (where applicable).
- Implement awareness campaigns to ensure the protection of resources through staff training.
- Preserve national and cultural identity through respect for traditions, strengthening the sense of national pride and sharing its value abroad.
- Respect the local community by fostering a support system and building relationships to assist them as much as possible.
- Work continuously to advance RLR's internal management and sustainable initiatives to improve environmental performance.
- Promote the involvement of stakeholders such as employees, guests, suppliers and suppliers in RLR's sustainable culture, communicating the best practices implemented.

At Royalton Luxury Resorts we are aware that creating and maintaining a sustainable culture involves an evolving improvement process to establish our long- term commitment.

# **MANAGEMENT – SUSTAINABLE PRACTICES**

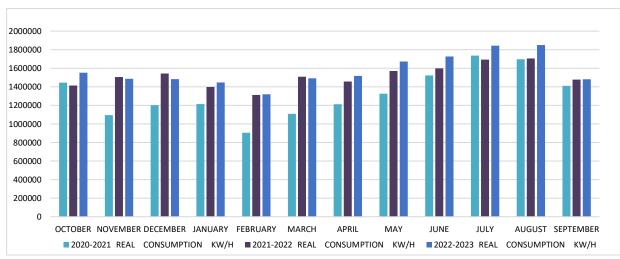

Increased post-consumer vegetable oil recovery by 2% per year.

Increase the environmental awareness of our hosts through staff participation in Sustainable Tourism trainings by 10%.

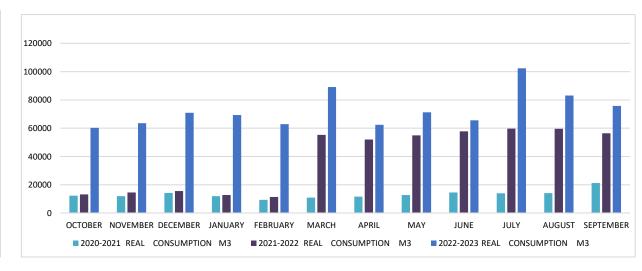

Achieve the recertification of the international Green Globe environmental labels that endorse our environmental performance and expand to Travelife certification.

## RESOURCES MANAGEMET

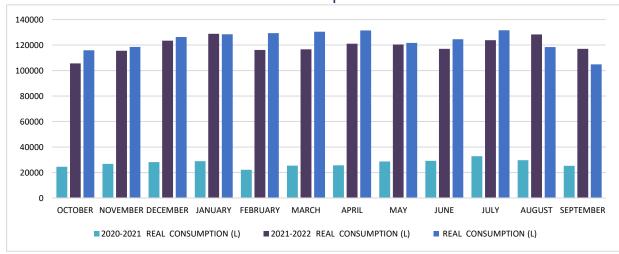

#### Electricity consumption

#### Water consumption

#### Gas consumption

#### How do we reduce our consumption?

- By complying with a sustainable purchasing policy that prioritizes efficient equipment and products.
- Generating a sustainable culture through training and allusive activities.
- Implementing sustainable processes such as campaigns and programs.
- Avoiding indiscriminate use of natural resources by complying with the good environmental practices defined by the organization.

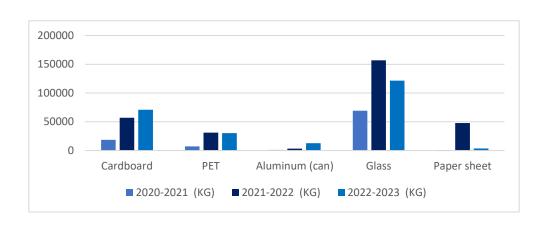

Proper waste management has always been a central part of the commitment and environmental awareness at Royalton Hotels.

Ensuring a proper segregation from root and a final disposal applicable to each type of waste.

#### Reduction practices include:

- Limit the use of disposable products.
- Paper is reused internally.
- Recycling garbage cans available around the resort for use by guests and hosts.
- Among others.
