**JOIN ME FOR A ONE-OF-A-KIND
CULTURAL EXPERIENCE AT
ROYALTON LUXURY RESORTS!**

Fun and education are the two main components of Seaside Summer Camp, a carefully crafted edutainment program created by a group of caregivers and professionals on such matters, resulting in a program divided in two main segments:

Little Explorers (Ages 4-7)
Junior Adventurers (Ages 8-12)

Seaside Summer Camp
is compounded by six
edutainment pillars

THE YOUNG GUESTS PARTNERS IN CRIME

SEASIDE SUMMER CAMP COORDINATORS

TURBO THE TURTLE™

Turbo broke the shell in one of our Royalton Luxury Resorts beaches and, although he is just a youngster, he has won the heart of the thousands of Young Guests at our resorts. The reason is simple, nobody is as fun and knows better the destination and the resort than him!

CLUBHOUSE

Kids Club

Fun for them and peace of mind for you – our Kids Club offers a supervised indoor play space for children ages 4 to 12. Here, they can make new friends, play games, relax, watch cartoons, or head outside to the playground for active afternoons and plenty of fresh air.

KIDS CLUBHOUSE SUPERVISORS

As a special seasonal program from Royalton Luxury Resorts' Kids Clubhouse, Seaside Summer Camp is managed and supervised by the kids club's professionals and caregivers. All of our employees have been carefully selected, ensuring they have a prior educational experience. In addition to this, they all pass through an extensive and intensive training program which includes safety measures, nutrition, education, management and security within the resort to ensure the wellbeing of the youngest guests within our premises.
